

Live In Balance

Monthly Membership

At FMC & Kareliz Wellness LLC, we understand that achieving sustainable, long-term health changes requires a personalized and holistic approach. That's why our Vive en Balance program is designed to guide you step by step towards your health goals. From an initial medical evaluation and personalized nutritional follow-ups, to bi-weekly Lipo injections, Glutathione IV therapy, and Vibrotherapy sessions, every aspect of our program is carefully structured to improve your health on various levels while helping you develop lasting, healthy habits. With the continuous support of our expert team and thoughtfully designed plans, you'll feel confident in your progress at every stage of the process. Start with us today and transform your health for the better!

Join us and transform your routine for a healthier, happier you!
